Pune

Professional Summary

Skilled Software Tester with 3+ years of experience in manual and automation testing. Expertise in Selenium, TestNG, Blackbird BDD, and JIRA for efficient test execution and defect management. Strong in test case design, data-driven testing, and XPath. Detail-oriented problem solver focused on delivering high-quality software through effective collaboration and continuous improvement.

Skills

Technical Skills

- **Programming Languages:** Core Java
 - **Testing Tools & Frameworks:**
 - **Automation Testing:** Automation Testing using Selenium-Web driver
 - **API Testing:** Postman
 - **Testing Frameworks:** TestNG, Junit, Blackbird, Masterpiece
 - **Bug Tracking & Project Management:** JIRA ,Excel(Pivot Tables, VLOOKUP)
 - **Build & Dependency Management:** Maven
 - **Databases:** SQL (Trained in SQL for database testing)
 - **Web Technologies:** HTML, JSON
 - **Testing Skills:**
 1. Trained in Manual Testing
 2. Test Case Design
 3. Bug Reporting
-
- **Training:**
 - Trained in Automation Testing using Java-Selenium, Manual Testing, and SQL

Professional Experience

Software Engineer – Capgemini

LPL- FINANCIAL (Investment Banking)

08th Jun,2023

- Frameworks used are Test Ng Framework, Data Driven Framework, Cucumber BDD with Maven and Page Object Model
- "Manually executed test cases within the Cucumber BDD framework using JUnit Test Runner."
- "Managed XPath values stored in a JSON file for automation and ensured seamless updates by modifying both the JSON file and Excel sheet whenever changes were required. Additionally, updated and maintained corresponding automation scripts to reflect the changes, ensuring consistency and accuracy across test data and execution."
- Participated in weekly status meetings with the team, developers to discuss open issues and communicating with onsite team.
- Propose improvements to current practices ensuring that approved enhancement is fully implemented, and the repeat errors are eliminated.
- After completing the project, I pushed it to GIT Repository.

CHUBB - CHUBB & SON A DIVISION FEDERAL INSURANCE COMPANY

17th August 2024 Onwards

- Analyzing and understanding the requirement, creating Functional Test plan, Test Cases. Test Data Creation as per the requirement using automation test scripts.
- Consolidated test cases and uploaded them on Jira. Executed test cases and logged defects in JIRA, followed up and retested fixed defects.
- Created weekly status report for tracking the progress of testing. Responsible for performing Smoke, System and Regression Testing.
- Involvement in Test Execution and maintaining Test Results for each Test Case.
- Query resolution and Defect Management (Defect Creation, Analysis and Reporting, Retesting Closing of the Defect).
- Have perform above responsibility different projects 1) Masterpiece Application 2) Equate - Web base application

Environment:

- Hardware: - Dell 11th Generation, CORE I5, 16GB ram.
- Operating System: - Windows 10.
- Software: - Eclipse IDE for Java Developers
- Languages: -Core Java, Manual

Training and Seminars

Completed Capgemini Training in Automation Testing (Selenium + Core Java+ Manual+ SQL)

Certifications

- Certification in Agile Software Development by Using Coursera.
- I received certification in mastering TestNG introduction and its integration with Selenium, completed through an online course available on Coursera. "Certification in Create your first Automation Script Using Selenium and Java on Coursera.
- Certification in API testing using Postman tool And Agile Mythology on Coursera.
- Certification in Building API Test Automation Framework Using Rest Assured on Udemy.
- Certified in QA Automation Engineer Level 1 QE&T Ocean Program.
- "Attained certification in L1 Payments and Cards Through Capgemini."
- Certified in Automation Engineer Beginner & Practitioner from Automation Academy.

Education

B. Tech in Electrical Engineering

KCES's College of Engineering and Management, Jalgaon

D. BATU University,

2021Marks: 70%

Diploma in Engineering (DE)

Godavari Foundation's Godavari College of Engineering, Jalgaon

MSBTE, 2018

Marks: 65.85%

Languages: English, Marathi, Hindi

Strength

- **Objectivity:** Never get stuck on a single thing if a problem occurs.
- **Persistent:** Completed a task even when it was more challenging than expected.
- **Punctual** : Arrived at all classes and meetings on time and with appropriate materials.
- **Leadership:** Lead the project teams.
- **Goal-Oriented:** Results Achiever, meeting deadlines.
